A clock is an instrument used to measure, keep, and indicate time. The clock is one of the oldest human inventions, meeting the need to measure intervals of time shorter than the natural units: the day, the lunar month, and the year. Devices operating on several physical processes have been used over the millennia. Some predecessors to the modern clock may be considered as "clocks" that are ...

bands and teaching stages, from the newest teacher to the veteran administrator, who share a passion for science education.

NSTA: Freebies for Science Teachers

Those of you who play our puzzles may already know of "asmit" as the name at the top of many of our leader boards. Asmit, real name Arian Smit, clearly knows a thing or two about Scrabble, and he's been investigating a question for us that many players have pondered: "What is the highest possible scoring Scrabble move?"

Record for the Highest Scoring Scrabble Move - Scrabulizer
