The first recorded Asian Americans in the continental United States were a group of Filipino men who established the small settlement of Saint Malo, Louisiana, after fleeing mistreatment aboard Spanish ships. Since there were no women with them, the Manilamen, as they were known, married Cajun and Native American women. In 1778, Chinese and European explorers first arrived in Hawaii.

An encyclopedia or encyclopaedia is a reference work or compendium providing summaries of knowledge from either all branches or from a particular field or discipline. Encyclopedias are divided into articles or entries that are often arranged alphabetically by article name and sometimes by thematic categories. Encyclopedia entries are longer and more detailed than those in most dictionaries.
