encyclopedia of post colonial pdf

Colonialism is the policy of a foreign polity seeking to extend or retain its authority over other people or territories, generally with the aim of developing or exploiting them to the benefit of the colonizing country and of helping the colonies modernize in terms defined by the colonizers, especially in economics, religion, and health.. The European colonial period was the era from the 15th ...

Colonialism - Wikipedia

Decolonization (American English) or decolonisation (British English) is the undoing of colonialism: where a nation establishes and maintains its domination over one or more other territories.The term refers particularly to the dismantlement, during the second half of the 20th century, of the colonial empires established prior to World War I throughout the world.
